LAW THAT WORKSSM

Gaw Van Male has always been a leader and active participant in the community. Without a lot of fanfare, quietly supporting a variety of non-profit and volunteer organizations, advising business owners and neighbors, it grew from its beginnings in 1972 to become the largest law firm established in Napa Valley and Solano County.

Today, GVM employs 25 attorneys and more than 40 staff members. We pride ourselves on our community involvement and personal service with a friendly and approachable manner.
