LAW THAT WORKSSM

Gaw Van Male has always been a leader and active participant in the community. Without a lot of fanfare, quietly supporting a variety of non-profit volunteer organizations, advising business owners and neighbors, it has grown since 1972 to become the largest law firm established in Napa Valley and Solano County.

GVM is among California's leading Estate Planning firms, offering a broad range of wealth preservation, business succession, and exit strategy

planning. We serve as general counsel to The Vintage Bank, Solano Bank, and their holding company, North Bay Bancorp. Gaw Van Male acts as corporate counsel to many small and mid-size business and commercial enterprises, as well as national and international corporations. GVM represents many of Napa Valley's leading family-owned wineries and vineyards.
